BUSINESS MANAGERS

This Aureus Annus is our first yearbook.

It marks an important event in the history of St. Joseph High. We hope that it will also hold a special meaning for each of you and help you remember 1963-1964 as truly a "golden year."

With this wish we give you the Aureus Annus.

Dedication

We of St. Joseph High gratefully dedicate the first edition of the Aureus Annus to our pastor and friend, Rev. Sylvester Dellert.

His help and guidance are reflected in our church, our school, and our lives. Even this yearbook could not have been possible without his interest and encouragement.

To you, Father, we offer our sincerest thanks for everything you have done to make our school a better place.

REV. SYLVESTER DELLERT

Message From Father

Jesus' arms to hold you,
Jesus' feet to lead you,
Jesus' voice to call you,
Jesus' Heart to love you,
Jesus' hand to bless you,
Jesus' grace to keep you,
Jesus' Mother to comfort you,
Jesus's Foster Father to protect you.

May all these blessings be granted you!
